NAME	ADRESS	PHONE	POST CODE	AMOUNT (£)	GIFT AID

What is Gift Aid?

Gift Aid allows the charity to claim back the tax (which you already pay) in relation to the amount of your donation. This money is claimed from the government. It will not cost you (the individual) anything and can significantly increase the amount the charity receives. To make this possible you must complete the above details in full and tick the box marked 'GIFTAID'. We thank you for your donation.
